

PROF. E. E. PHELPS, M. D., LL. D.,

Discovered and First Prescribed

PAINES CELERY COMPOUND

Prof. Phelps was born in Connecticut and graduated in medicine at Yale. His unusual talent soon brought him reputation and prominence among his professional brethren. First he was elected to the professorship of anatomy and surgery in the Vermont University. Next he was appointed lecturer on materia medica and medical botany in Dartmouth College. The next year he was chosen professor of the chair then vacated by Prof. Robby, and occupied the chair, the most important one in the country, at the time when he first formulated his most remarkable prescription.

Prof. Phelps has given to his profession in Paine's Celery Compound a positive cure for sleeplessness, wasting strength, dyspepsia, biliousness, liver complaint, neuralgia, rheumatism, all nervous diseases and kidney troubles. It is the only specific recognized and prescribed by physicians for diseases arising from a debilitated nervous system. For such complaints Paine's Celery Compound succeeds again and again where everything else fails. No remedy was ever so highly recommended. Read our testimonials, because no other remedy ever accomplished so much.

Paine's Celery Compound sustains vitality, keeps the blood healthy and free from nervous exhaustion and pain.

A Negro Insurance Company.

DUBLIN, Ga., Feb. 16.—An insurance company was recently established here that is the only one of the kind in the south. It is named the Afro-American Life Insurance company and takes risks on negroes. The manager of the company is T. H. Overby, who is well known in state insurance circles, but most of the other officers are negroes. The company has been organized only a few months, but appears to be doing a good business already. As is well known, none of the big life insurance companies will insure the lives of negroes, and the Dublin company ought to do a good business.

Large Brick Concern.

SALISBURY, N. C., Feb. 16.—Salisbury is to have one of the largest and most thoroughly and modernly equipped brickyards in North Carolina. Messrs. A. J. Reynolds and Inman McMichael of Delaware, who have been here for several weeks in quest of a suitable site on which to establish a brickyard, have just closed a deal with the Central Land company through Mr. F. H. Thompson for a tract in East Salisbury. These gentlemen have already closed the trade for more than \$10,000 worth of machinery and Mr. McMichael has gone to Philadelphia to place additional orders.

Mr. J. K. Miller, Newton Hamilton, Pa., writes: "I think DeWitt's Witch Hazel Salve the grandest salve made. It cures piles and heals everything. All fraudulent imitations are worthless. Hargis' Pharmacy, John Sheppard, S. Kahn.

Medical Society, Attention.

There will be a regular meeting of the Pensacola Medical Society at the Board of Health office at 8 o'clock p. m. Tuesday, Feb. 27.

Visiting physicians are cordially invited to attend.

D. W. McMillan, M. D., President.

E. F. Bruce, M. D., Secretary.

25mt

J. I. Stephens has a large assortment of Solid Sterling Silver and Rogers Knives, Forks and Spoons.

NOTICE

NOTICE is hereby given that the following described lots in the water front of the city of Pensacola, under the Act of the Legislature of Florida, approved June 2d, 1880, to wit:

M. H. Sullivan—The wharf from the shore line of the bay of Pensacola to the foot of Barracks street, in the said city, known as James' Wharf, to be sold in blocks or lots, the amount of such claims will begin on the 1st day of March last.

E. J. BEGGS,
CHARLES MCMASTER,
Commissioners
